Statement of Claims

The following is a brief summary of the facts of the case. (Describe how each respondent is involved, including dates, places and names. Do not give legal arguments or cite any cases/statutes. If you intend to allege a number of related claims, number and set forth each claim in a separate paragraph. Use additional pages if necessary.)

- (1.) See (Enclosed) Facts throughout ARP's Filings, Times Dates places, "Including" (Enclosed) Approved Thorough Investigation paperwork from [The United States Department of Justice]. The Gang violence within [The Mississippi Department of Correction Facilities] has not "only" had a Strong-Hold on The Mississippi Department of corrections but have created and arranged "Occult" Strong-Hold on

my "Life" also. (September 19, 2023), Area 2 B-2 A-Zone, Approx. Time 5:38 pm there at South Mississippi Correctional Institution where the organization Gang member Marcus Bridges #175556 broke my nose, fractured my jaw, injured my neck totally ~~there~~ there on the South Mississippi Correctional Institution cameras there at S.M.C.I.

(2.) See from the cameras there at M.C.I./MTC, including the (Enclosed) ABP process paperwork, about (January 2-3, 2024), Approx. Time 10:14 Hrs, for the third time the vice Lord's organization Gang's have jumped on me breaking my nose and more causing many short and long term injuries within my body. (Area V, W, X, G-Building X-Ray zone cell #202).

(3.) Also see from the cameras there at S.M.C.I. around (November some time 2023) the same vice Lord's organization Gang members there at S.M.C.I. Area 2 E-1 Building, B-Zone Approx. Time 10:00 thru to 3:00, you can clearly see it on the cameras were these some organization Gang's told me that I (could not) live there housed on (Commissioner Burk Cain) pre-Release zone that I may go home to family and here ones these Gang's forced me to pack my property and leave threatening to kill me. And all of this was done to prevent me from making parole at my correct time to keep me in prison were their other Gang members could catch me and try to kill me which is how I got jumped the many times that I have since then and I still have not paroled out of prison due to these some organization Gang's having a strong-hold on the Mississippi Department of correction facilities. These Gang's not only have a strong-hold on the

Mississippi Department of Correction facilities, but have designed and created an occult strong-Hold on my personal life, through, and from the Mississippi Department of Correction, that is the very reason that I am back in prison due to the controlling "occult" strong-Hold that these organization Gang's controlling. I fear so much for my "life" because these Gang's came to my front door step where I lived shot me leaving me for dead called the police themselves to [Falsely-Accuse] me of an Arrest right after leaving the Hospital. I have know reason to be in prison at this very moment, even up until now, after 2 years of Incarceration the Forrest County (Circuit-Court) and the Forrest County (Municipal-Court) say that they don't have anything showing up within their computer system of why I (Mr. Lonnie Sims) is Incarcerated. Even up until now, 2 years of Imprisonment, I have not been [Indicted], nor have my allege case been presented before any Grand Jury because of the controlling "occult" strong-Hold that these Gang's have on the Mississippi Department of Correction, through unto my personal Life. Even so that I have mention this great perspective reality upon my Life, I think it to be only right to (Enclosed) a complete copy of the organization Gang member the one shooting me at my own residence (Criminal Information) reducing his complete charge of (Aggravate Assault with a deadly weapon) down to a simple Assault waiving his Indictment to criminal charges down to misdemeanor or simple Assault and sentenced to a term of six (6) months in the custody of the Forrest County Jail.

V.

Relief Sought

Petitioner respectfully requests that this Court (Briefly state what you are asking this Court to do for you) I Respectfully ask that this Honorable court compensate me for all my pain and suffering these organization Gang's has caused me through such "occult" strong-Hold Damaging my "life" through the mississippi Department of Correction facilities.

Respectfully Submitted,

Lonnie Sims
